Dear Sir,

Subject: Supply of Water Conditioner for Air Compressors.
Ref.: Our Enq.No.6200041/3620028 Dated, 05/08/2003,
Your offer ref.: Quotation No.: MG364 Dated, 12/08/2003.

This has reference to your letter: NTPC/5034/15066/KM/MM Dated, 14/10/2003, seeking performance of the past supply. In fact it is not possible to give any performance certificate for any of the supplies.

However, it is to clarify you that the magnetizer procured earlier, are installed in Stage-II (500 MW units) air compressors and found to be effective in prevention of scales. Also as per last energy audit a considerable amount of energy saving with respect to other units wherein these magnetizer is not installed is observed.

This information is given purely because of your request for taking up with your principal for one time discount. Hence, you are requested to offer maximum possible discount on the quoted rates.

Please send your replies by return fax.

Thanking You,

Yours Faithfully,
For NTPC Ltd.,
